The presentation will be held at the library and art will be hung at the hospital and the library at the same time.

**LMc:** can the Art Show include artists from outside of Kanab, yes. May have the RCR students be involved. Perhaps the time for art to stay hung in hospital can be extended beyond the regular 3 weeks. Sale of art gets artist 100% of the proceeds.

Food vendors seem to be the most successful.

Not all vendors who had applied for spot at the Kanab Center have appeared as of yet.

Conversation concerning ways of getting more people to attend the Open Market: Vendors were asking if an add can be placed in the newspaper.

**EGB:** suggested that spots at **Open Market** next year have a minimal payment and perhaps that money could go to advertising.

**DO:** a ¼ [page add costs \$800. More conversation needs to be focused on this issue.
